

Maynooth University Barnhall Rugby Football Club

#ThePrideThePassionTheBlue

Mission statement:

All of our University rugby is played through our University rugby club 'MU Barnhall RFC'. Our objectives are as follows:

- Provide rugby regardless of gender
- Provide rugby regardless of sexual orientation
- Provide rugby regardless of ability
- Provide rugby regardless of age

What makes us different?

- We are a University club belonging to its surrounding communities. We differ in that we provide rugby at mini (u7-u12) and youth (u13-u18.5) for boys and girls, as well as adult rugby for all ages alongside our predominantly student populated sides.
- Year on year we recruit through the university for all performance teams (Male All Ireland League, Female Leinster Division 1 and Male Premier under 20) but we also have further participation sides competing where all levels are facilitated and welcomed (Men under 23, Men 4ths, Men 5ths and our Women's Division 4s).
- Considering the above, we are unique in that we are a club where you will find that club away from home in the truest sense.

Our current club constitution is being updated to recognise our unique University partnership and provide security to both parties – club and University. In the meantime, should you have any queries do not hesitate to contact the University rugby officer via the below information:
